Dear Daisy

So many times I have discussed with you regarding the way to distribute my estate. But suddenly I found out that on 27<sup>th</sup> Dec, 2010, the company Lanceford Company Limited has issued 9998,00 new shares to:

1. Action Winner Holdings Limited BVI
2. Ranillo Investment Limited, BVI

Without my consent and knowledge. And I have tried to call you and contact you through SMS and your secretary in order to come personally to explain to me what is going on. However, you have not responded so I have no other way but through this letter to command you to come to my house Repulse Bay road No 1, with the share certificates of STDM held by Lanceford Company Limited

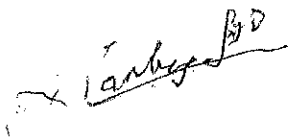

In order to transfer all my shares of STDM to equal amounts divided amongst

1. Clementina Ho's descendants, represented by my daughter Angela Ho
2. Lucina Laam
3. Ina Chan
4. Angela Leung on Kei

This has always been my intention and wish, so if you do not appear with the share certificates mentioned above within 48 hours in presence of all representatives of my four families, I have no other option but to request such certificates to be transferred legally as mentioned above.

Please do not forget I have talked with you so many times to resolve this amicably but if you will not comply with my wishes I must go through legal ways to solve this situation

Yours Sincerely
